

# BACKRACK™

FUNCTION AND STYLE FOR TODAY'S TRUCKS

## INSTALLATION INSTRUCTIONS:

BACKRACK Tonneau Cover Riser Kit

92001

### READ THIS NOW!

If you think you are missing any parts, think that this part number is not for your truck or have any installation question, call our customer service department toll free at:

**800-265-8137** or locally **905 849-3633**.

Other ways to reach BACKRACK:

Fax **905-849-4116**

email: [techsupport@backrack.ca](mailto:techsupport@backrack.ca)

The tonneau cover riser kits will raise the Backrack 2" to give room for the low profile inside the rail type tonneau cover adaptor.

The BACKRACK assembly sits on the bed rails of your truck and is secured with these bolts. If your truck has a BEDLINER we suggest you remove it to drill and install the bolts
