## weatherBEATER

### CARE AND USE INSTRUCTIONS

---

Thank you for selecting a WeatherBeater® Floor Liner from Winfield Consumer Products. Your new front floor liners are custom molded to fit your Subaru Outback and Legacy. The liners are made to take the place of your factory floor mats. **For correct fit, it is necessary to remove the factory floor mats before installing your new floor liners.** However, do not remove the factory-installed carpeting.

Your liners are made from an engineering resin that is lightweight and extremely tough and durable. The easiest way to clean your liners is with a damp cloth or sponge. If using a cleaner, 409® or Glass Plus® work well. Use of Armor All®, Son-of-a-Gun® or similar items is discouraged as these products make the liners slick.

## INSTALLATION INSTRUCTIONS FOR YOUR SUBARU OUTBACK & LEGACY FRONT FLOOR LINERS

LEFT OR DRIVER'S SIDE

RIGHT OR PASSENGER'S SIDE

TO EASE INSTALLATION OF YOUR NEW OUTBACK/LEGACY FRONT FLOOR LINERS, FIRST SLIDE BOTH FRONT ROW SEATS ALL THE WAY BACK TO ALLOW THE MOST LEG ROOM. ONCE YOU HAVE INSTALLED YOUR FRONT LINERS, REPOSITION THE SEATS AS DESIRED.

YOUR DRIVER'S SIDE LINER IS DESIGNED TO COVER THE FUEL DOOR RELEASE. TO ACCESS THE RELEASE LEVER YOU CAN SIMPLY LIFT THE REAR OF THE LINER OR, YOU CAN TRIM AWAY THE MATERIAL ABOVE THE LEVER AS SHOWN ABOVE. THE AREA TO BE TRIMMED IS LOWERED IN THE PART. USE THE EDGE FORMED BY THE LOWERED AREA AS YOUR TRIMMING GUIDE. A UTILITY KNIFE WORKS WELL FOR TRIMMING.
